

DID YOU KNOW?

The Tampa Bay History Center is the **ONLY** cartographic center in the Southeastern United States!

Our Touchton Map Library's collection consists of thousands of maps, charts, atlases and other cartographic materials.

TOUCHTON MAP LIBRARY

STEP 1.

Discuss the different kinds of maps and how they have changed over the centuries. Point out features like the compass rose, map key, roads, and symbols. What is a cartographer?

STEP 2.

Create a list of places that someone might want to find in your city.

STEP 3.

Using a large sheet of white paper draw the roads in your city or neighborhood.

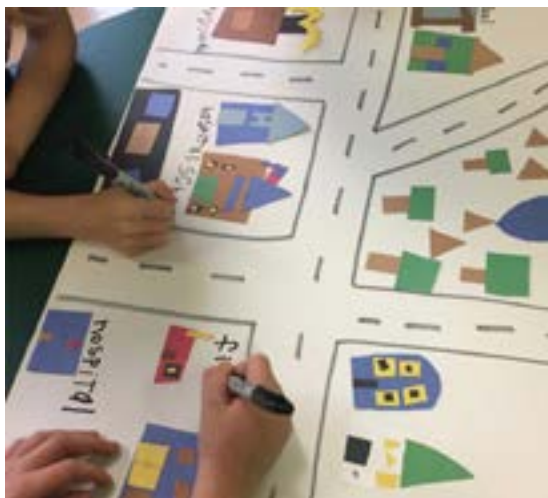

STEP 4.

With colored paper, stickers and glue, create the buildings, houses and trees that line the streets of your city or neighborhood.

STEP 5.

Finally, label your map using the list created in **STEP 2**.

CONGRATULATIONS
on creating your map!

YOU are now
an official cartographer!
